
Bowling Game

Roll the ball over the hump and win a prize each time!
6 Games for $1.

TRADE:

3 small prizes for 1 MEDIUM prize
2 medium prizes for 1 LARGE prize
2 large prizes for 1 JUMBO prize

* On Monday, Mrs. Pig won every game and walked away with 2 large prizes. How many games did she play? How much money did she spend?

* On Wednesday, Mrs. Pig spent $2.00 playing the bowling game. She won every other game. How many games did she play? What are her prize possibilities? Explain how you arrived at your answer.
